Navajo County Drug Project Provides DEA Expertise to Educate Mogollon Youth in Teen Maze

Recently retired Drug Enforcement Agency Officer Douglas W. Hebert of Scottsdale joined the Navajo County Drug Project Team on Dec. 11 to educate Heber-Overgaard junior high and high school students about the dangers of prescription and date rape drugs. Hebert, now with Environmental Pharmaceuticals, provided cautionary tales and tip on how to save drugged a friend. The presentation was part of the first Navajo County Health District “Teen Maze”, organized by Rosalva Zimmerman. The event informed youth about life consequences and provided information to make good choices and avoid risk.
